PETER RAMBOLD

SENIOR DIRECTOR, PROJECT FINANCE, BAYERNLB

Peter is a Senior Director in the Project Finance Department at BayernLB in Munich. He joined BayernLB in 2012 and is responsible for acquiring, structuring, and closing energy and infrastructure projects in Europe with a focus on renewable energies (PV, onshore and offshore wind, hydro).

Before joining BayernLB, Peter worked for international banks and a leading international advisory firm in Munich, New York, Singapore, London and Frankfurt in the field of infrastructure and energy project finance. He has more than 20 years experience in project finance.

Peter holds a Master Degree in Business Administration from Passau University.

DESSLAVA STROTHMANN

PROJECT FINANCE AND CAPITAL MARKETS, VIFG

Dessislava Strothmann is an expert in financing issues of PPP projects in the transport sector, financial modelling, value for money tests and private finance. She has been working for the VIFG (Transport Infrastructure Financing Company) in Berlin, Germany since 2008. Before joining

the VIFG Dessislava worked in a national central and corporate bank in Frankfurt am Main, where she started her professional career in the credit department for project and acquisition finance. Dessislava studied at the University of Mannheim and graduated in Economics. She speaks German, English, Bulgarian (mother tongue) and Russian.

GABRIELE ENGEL

DIRECTOR OF PPP WORKING GROUP, STATE OF BAVARIA

Gabriele Engel heads PPP-AG Bayern, the working group for public-private-partnership projects and consulting service for local authorities in Bavaria. She is author and co-author of several guideline books and other papers about PPP and speaker at national and international conferences.

Ms Engel started her professional career as an architect in Munich and became member of the Bavarian Architectural Association. She joined the State Building Body in 1980 and worked in several positions until she became head of division at the Bavarian Ministry of the Interior and director of the PPP working group. Ms Engel holds a master's degree from the Technical University of Munich and is head of one of the examination boards at Munich Professional School.

KLAUS KATHMANN

HEAD OF STRUCTURED FINANCE AND ASSET MANAGEMENT, STRABAG

Klaus Kathmann, Head of Structured Finance and Asset Management is a managing director within Strabag's business unit responsible for PPP. He has over 15 years of experience in arranging, structuring and asset management of infrastructure projects.

Prior to joining Strabag Group in 2004 he was responsible for structuring, origination and financing of infrastructure projects at UniCredit, Munich and Dresdner Bank Group in Buenos Aires and London.

Mr. Kathmann holds a Master Degree (Dipl-Kfm) from the University of Bamberg .
