SPEAKER PROFILES

CHRISTIAN BEVC

MANAGING DIRECTOR, GLOBAL HEAD TRANSPORT & SOCIAL INFRASTRUCTURE, KFW IPEX-BANK GMBH.

Christian is a trained Banker and holds a degree in Business Administration from the University of Frankfurt. Prior to his current assignment he held various management positions in both Origination & Structuring as well as in Risk Management within KfW Group and for an Investment Bank.

STEFAN WEISS

PPP DIRECTOR, STRABAG AG

Stefan Weiss is commercial Director for PPP infrastructure projects with STRABAG, responsible for the markets in Germany and Benelux. He has been with STRABAG since 2009 and has been working on several PPP tenders and projects.

From 2011 – 2015 he gained operational site experience at the A15 Project in the Netherlands where he held various management positions in the SPC as well as in the CJV. Currently, Stefan is chairman of the board in the A15 O&M company.

Prior to joining STRABAG, Stefan worked for the Austrian's Federal Ministry for Transport, Innovation and Technology as a co-ordinator for large infrastructure projects. He started his career at the Austrian construction company Porr AG where he worked in the legal department, as well as the M&A department.

He holds a Doctor of Laws degree from University of Vienna as well as a MBA from the Warwick Business School.

CLAUDIA APPELS

INVESTMENT MANAGER, JOHN LAING

John Laing is an international originator, active investor and manager of infrastructure projects. Its business is focused on transport, social and environmental infrastructure PPP projects and renewable energy projects.

Claudia joined John Laing in 2015 and is currently an Investment Manager in the European investments team. She is responsible for bidding and investing activities in Continental Europe (key area of focus: the Netherlands and Germany) if it comes to PPP projects. Furthermore, she is actively involved in pursuing renewable energy opportunities in The Netherlands and Germany. Before joining John Laing she gained experience in project and corporate finance in the banking sector and at a renowned construction company in the Netherlands. Claudia holds a Master of Science degree in Business Management from the Radboud University Nijmegen.

BENJAMIN HEMMING

SENIOR INVESTMENT MANAGER, MEAG

Benjamin joined MEAG's Infrastructure Debt Team as a Senior Investment Manager in October 2014 and is responsible for the coordination of all core European Markets within the team. He has more than 12 years' experience in originating and structuring infrastructure project finance transactions with a strong focus on transportation and social infrastructure PPPs in the EMEA region.

Previously, Benjamin held a Director position within the infrastructure and industry project finance group at Siemens Bank in Munich and London. He started his career with BayernLB in the infrastructure project finance team EMEA in Munich and Paris.

Benjamin has completed training as a banker and holds Master degrees in business administration and economics from the Catholic University of Eichstaett-Ingolstadt.

ALEXANDER HERRMANN

MANAGING DIRECTOR, VIA6WEST GMBH AND PROJECT MANAGER AT JOHANN BUNTE BAUUNTERNEHMUNG GMBH

Previously Project Manager at Bilfinger Project Investments GmbH in Wiesbaden.

Alexander has 12 years experience in development and realisation of PPP projects in Continental Europe with focus on Germany, Hungary and Norway. Via6West is the project Company for the motorway PPP project A6 Wiesloch / Rauenberg to Weinsberg in Baden-Württemberg with a project volume of 1,3 bn Euro, a construction phase until 2022 and a project phase until 2046.
